

We at Trust Payments Ltd. have taken great care to provide you with the best online sales partner experience possible, but there are some rules. The following terms and conditions (“End User Terms”) shall govern your use of TRU//Partner.

1. Ownership

The TRU//Partner web-based tool (the “Product”) you are accessing contains proprietary intellectual property, technology, data and material owned by Trust Payments LTD (“we”, “us”, “our”, “Trust Payments” or “TPL”) and/or our third party licensors. Any and all use of the Product and any of our data and/or materials accessible within the Product (“Content”) is protected and restricted as intellectual property belonging to TPL. Any use of the Product by you must comply with these End User Terms, your Licence Agreement (if applicable), or our prior written consent.

2. Your Rights of Use

(a) Use rights. If you, the end user (“you” or “your”), have been issued access via login information provided by us to you or your employer, you are entitled to: (i) search, access, download and print reasonable amounts of Content corresponding to the level of authorised access you have been granted; (ii) distribute copies of Content that is specific to your company only to other individuals who you know are authorised users of the Product within your organisation (“Known Authorised Users”); (iii) include immaterial portions of Content as incidental samples or for illustrative or demonstration purposes, including in reports and/or analysis prepared for internal business purposes and provided that you include the following acknowledgement: “Source: Trust Payments Ltd. TRU//Partner.”

(b) Downloaded/Printed Content. We, in our sole discretion, determine a “reasonable amount” of downloaded and/or printed Content by comparing your download and/or print activity against the average annual download rates for all TPL clients using the Product.

(c) Immaterial Content. An immaterial amount of Content downloaded from the Product is Content that does not have independent material commercial value on its own and/or Content that would not adequately serve as substitute access to a TPL product or service for an unauthorised user of any TPL product.

(d) Licence Agreement. If you are accessing the Product or Content pursuant to a separate agreement between you or your employer and TPL (“Licence Agreement”) the Licence Agreement will supersede in the event of a conflict with these End User Terms. If you would like to understand more about all of the rights that you or your employer have to use the Product or any of the Content, you should ask your employer for a copy of your Licence Agreement or you should contact us at <https://www.trustpayments.com/contact-us/>.
